Re: Public Records Response for Reference # P200069-012720

Dear Saul Tannenbaum:

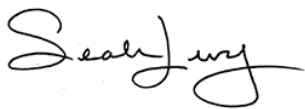

I write in response to your request of **01/26/2020**, attached hereto, stating: "I hereby request the following records: All materials, including but not limited to, meeting notes, progress reports, and invoices created as a result of the City's Digital Equity study subsequent to the City entering into its contract with CTC Energy and Technology in May, 2019."

The City is treating your inquiry as a public records request pursuant to G.L. c. 66, § 10. Please find attached documents responsive to your request. Due to the size and number of files in this response, please find a link to the files online below. Some documents have been redacted, because they do not contain information pertaining to the Digital Equity Study, and because the information is exempt pursuant to Exemption (d) under G.L. c. 4 § 7(26) as these records relate to ongoing policy deliberations. Additionally, some information has been redacted, pursuant to Exemption (c), to protect the privacy of an individual, and pursuant to Exemption (o), which protects the personal home address, phone, and email information for employees of Government agencies. You have a right to appeal this denial to the Supervisor of Public Records under 950 CMR § 32.08(1) and have a right to seek judicial review of an unfavorable decision by commencing a civil action in the superior court.

Because the documents are being produced electronically, pursuant to 950 CMR § 32.07(2)(m), there will be no charge for responding to this public records request.

Sincerely,

A handwritten signature in black ink, appearing to read "Seah Levy". The signature is fluid and cursive, with the first name "Seah" and last name "Levy" clearly distinguishable.
